

# Top 10 Silpada-ish Tips

Check out our helpful tips to get the look you want! From trendy tidbits to helpful tricks of the trade, these are must-know tips for all who love Silpada!

1. *Layers of fun!* Use Necklace Extenders to mix and match lengths and create the layered look you love!
2. *Get creative!* Why not wear a piece of jewelry in a different way? For example, try draping a long Lariat Necklace down your back instead of your front while sporting a backless dress for instant, head-turning drama!
3. *Three is a charm!* When layering Bracelets: 1 Bangle + 1 Cuff + 1 Link Bracelet = Silpada-ish style!
4. *Variety is the spice of life!* Combine different textures and finishes of Bracelets and Necklaces to create interest and display your unique flair for fashion!
5. *Mix more than match!* A matching set might be great for your luggage, but your jewelry should show a variety of styles that are complementary, not carbon copies of each other!
6. *Twice as nice!* To achieve a more substantial look, double up two of the same long Necklaces or your favorite Bracelets.
7. *Style watch!* Don't let your Watch get lonely—add a Bracelet for extra sass and pizzazz!
8. *Focus on the positive!* When you wear a statement piece, such as a multi-strand Necklace, build your look with accent pieces that enhance *not* compete.
9. *Add some sterling!* To change the naturally appealing look of an all-stone Necklace, try adding on a Sterling Silver Necklace or Sterling Silver Pendant. The light-catching Sterling Silver will make those natural stones even prettier!
10. *Great style is a cinch!* Adding excitement to an outfit is a cinch with a stylish Belt! Whether slung low on the hips or accenting your waist, our easily adjustable Belts fit the bill!
